

Helmet Clips for Headlamp

ALK126

Headlamp clips are simple and practical to use. They fit most helmets and headlamps and hold the headlamp securely on the helmet. Made from high-quality plastic, they are lightweight and available in packs of 10.

They are ideal for holding a headlamp in place without exerting pressure on your head.

Content

- 10 x plastic holder

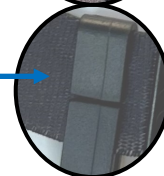

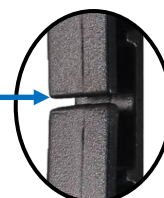

Can be used on different types of helmets

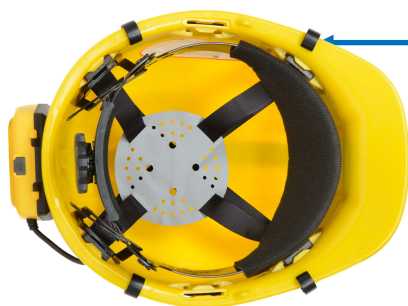

Strap slot

Attaches to lamp strap

Simply attach the safety helmet hooks around the edge of your helmet.

Use four clips to hold four corners - simple, effective, practical and stable.
