

Endura® 365DLX2

Heavy-duty lineman gloves with high-visibility cuffs

2" cuffs marked by retro-reflective silver strips provide these heavyweight horsehide leather lineman gloves with visibility that you can count on. Sewing thread is made with Kevlar® fiber for added seam integrity. A performance patch at the thumb and palm make them hard-wearing. A high level of resistance to water, oil and stains increases their utility even further.

DETAILS

PRODUCT FEATURES

- Retro-reflective silver strips for enhanced visibility
- Sewing thread is made with para-aramid fiber for added seam integrity
- Treated with Waterstop™ for excellent water, oil and stain-repellent properties
- Made with select heavyweight 3½ oz. grain horsehide leather for comfort and durability
- High performance thumb and palm patch for longer product life
