Full-grain Leather Driver Gloves

MGG009

Description

These Kosto driver-style work gloves are made of very soft, grade A/B full-grain leather. These work gloves are great for general use. They feature a straight thumb and an elastic wrist that provides a secure and comfortable fit.

The reinforced fingertips and very resistant stitches make them a sturdy option to protect your hands on the job

Material

- Full-grain leather
- No lining

Care and washing instructions

A good way to keep leather gloves longer is to clean them regularly.

- Clean with a cloth and a mild soap that contains natural fats (e.g. Marseille soap)
- Clean with a soft, damp cloth, removing any dirt
- Air dry only
- Do not clean with hard soap as it removes the natural oils from the leather and makes it stiffer.
