Leather Gloves with 5"½ Full Grain Leather Cuff and Split Leather Back

MGG068

Description

These Kosto work gloves are made of A/B grade full grain leather and feature a split leather back. The 5"½ split leather cuff prevents debris from entering the glove, while its adjustable Velcro closure and elastic wrist band provide a custom fit. These work gloves are unlined and can withstand heat up to 150°C.

Care and washing instructions

A good way to keep leather gloves longer is to clean them regularly.

- Dry cleaning - best option to retain the natural oils of the leather
- Clean with a cloth and a mild soap that contains natural fats (e.g. Marseille soap)
- Clean with a soft, damp cloth, removing any dirt
- Air dry only
- Do not clean with hard soap as it removes the natural oils from the leather and makes it stiffer.
