Split Leather and Cotton Gloves with Leather-Lined Palm

MGG235

Description

These Kosto work gloves are made of split leather and cotton. They're double lined with leather at the palm, thumb, and index finger for robust protection.

You'll find inside lining on the palm and fingers, a rigid safety cuff to ensure that nothing slips into the glove and a wrist elastic that ensures a secure and comfortable fit.

These work gloves also feature leather knuckle straps and high-resistance seams, making them a reliable and comfortable option to protect your hands against injuries.

Care and washing instructions

A good way to keep leather gloves longer is to clean them regularly.

- Clean with a cloth and a mild soap that contains natural fats (e.g. Marseille soap)
- Clean with a soft, damp cloth, removing any dirt
- Air dry only
- Do not clean with hard soap as it removes the natural oils from the leather and makes it stiffer.

Sizing Chart

Size Kosto *			Universal
1	Width (hand)	cm	13
		po / in	5.1
2	Length (glove)	cm	19
		po / in	7.5

* The measurements are those of the product.

* A fitting is always recommended.
