

TTP203MC

Cut resistant leather driver with Knuckle Guard protection

The 203MC glove is our seamless knitted medium weight liner with a full grain goatskin leather outer in a drivers glove with Tilsatec Knuckle Guard back of hand protection.

Delivering ANSI A6 cut resistance, ANSI level 4 puncture protection and EN407 contact heat level 1.

The 203 is a high specification solution for workers in high hazard environments.

Our Tilsatec 13gg liner is moisture wicking and provides ultimate comfort in a leather work glove.

The soft, but durable goatskin provides excellent grip and the full leather wrist has a shirred back for improved fit and control
