XDex Foam PVC-Coated Gloves with Nylon Base and Acrylic Lining

MKC267

Description

If you need good dexterity, breathability, and durability, these work gloves are a great option. Made of a 15-gauge thin nylon support and a foam PVC coating, these Kosto gloves also feature an acrylic liner that will keep your hands warm in the colder months. Snags and abrasion-resistant, they provide workers with superior dexterity and comfort on damp surfaces. Its elastic wrist band offers a secure fit.

Care and washing instructions

A good way to keep gloves longer is to clean them regularly.

- Low heat wash and tumble dry
- The glove can be washed several times without losing its properties
