Full-grain Leather Driver Gloves

MKG009

Description

Highly resistant to abrasion and durable, these work gloves are a great choice for general-purpose tasks. Made of full-grain leather without any lining, they feature a keystone thumb, very resistant stitches, and reinforced fingertips.

The driver style fits tightly and does not interfere with the hand's movements. The elastic wrist band provides a secure fit.

Material

- Full-grain leather
- No lining

Size

S to XL

Care and washing instructions

A good way to keep leather gloves longer is to clean them regularly.

- Clean with a cloth and a mild soap that contains natural fats (e.g. Marseille soap)
- Clean with a soft, damp cloth, removing any dirt
- Air dry only
- Do not clean with hard soap as it removes the natural oils from the leather and makes it stiffer.
