Deer Split Leather Gloves

MKG063

Description

These Kosto work gloves made from premium A/B grade split deerskin leather are ideal for welders and aluminum smelter and foundry workers. They offer safety and increased heat resistance with the double aramid lining and Kevlar cuffs and seams. Comfortable, these work gloves offer great protection for the hands.

Certification

Tested **ASTM F1060 Niveau 5**
Conductive heat resistance

Care and washing instructions

A good way to keep leather gloves longer is to clean them regularly.

- Dry cleaning - best option to retain the natural oils of the leather
- Clean with a cloth and a mild soap that contains natural fats (e.g. Marseille soap)
- Clean with a soft, damp cloth, removing any dirt
- Air dry only
- Do not clean with hard soap as it removes the natural oils from the leather and makes it stiffer.

Sizing Chart

Size Kosto *		XS	S	M	L	XI	2XL	3XL
1	Width (hand) cm	11.5	12.5	13.5	14.5	15.5	16.5	17.5
	po / in	4.5	4.9	5.3	5.7	6.1	6.5	6.8
2	Length (glove) cm	17.5	18	19	20	21	22	23
	po / in	6.8	7	7.4	7.9	8.3	8.7	9

* The measurements are those of the product.

* A fitting is always recommended.
