### Goatskin Leather Driver Style Glove

#### MKG109

##### Description

This comfortable driver style glove is highly resistant to level 4 abrasion and level 3 puncture. Its very soft goatskin leather keeps hands dry and its short cuff allows free movement. Crafted from unlined full-grain leather, it features a keystone thumb and heavy-duty stitching. The driver style fits perfectly and the elastic band at the wrist ensures a good fit. This Kosto work glove is an excellent choice for general purpose tasks.

### Care and washing instructions

A good way to keep leather gloves longer is to clean them regularly.

- Clean with a cloth and a mild soap that contains natural fats (e.g. Marseille soap)
- Clean with a soft, damp cloth, removing any dirt
- Air dry only
- Do not clean with hard soap as it removes the natural oils from the leather and makes it stiffer.
