Full - Grain Cut-Resistant High Density Polyethylene-Lined Driver Style Glove

MKGV25

Description

The driver's style glove offers greater dexterity compared to installer's style gloves. Its short wrist allows free movement of the hands.

Certification

Tested [ANSI/ISEA 105-2016](#)
Cut resistance [Level A5 -2800g.](#)
Puncture resistance [Level 3](#)

Material

Full grain cow leather grade A/B
High density polyethylene lining

Size

S to 2XL

High density polyethylene (HPPE) liner attached to fingers and thumb to hold when worn or when removing the glove.

Gloves MKV349

- Cut resistance Level A5

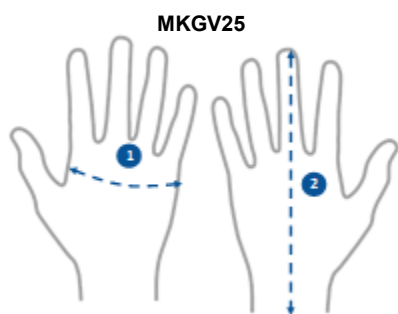

Care and washing instructions

A good way to keep leather gloves longer is to clean them regularly.

- Dry cleaning - best option to retain the natural oils of the leather
- Clean with a cloth and a mild soap that contains natural fats (e.g. Marseille soap)
- Clean with a soft, damp cloth, removing any dirt
- Air dry only
- Do not clean with hard soap as it removes the natural oils from the leather and makes it stiffer.

Sizing Chart

Size Kosto *			S	M	L	XI	2XL
1	Width (hand)	cm	11,5	12	12,5	13	13,5
		po / in	4,5	4,7	4,9	5,1	5,3
2	Length (glove)	cm	22,5	23,5	25	26	27
		po / in	1,7	9,25	9,8	10,2	10,6

* The measurements are those of the product.

* A fitting is always recommended.
