Polyurethane-Coated High Density Polyethylene Cut Resistant Gloves

MKV070

Description

These Kosto work gloves feature a polyurethane-coated palm and fingers. It offers protection against abrasion, cuts, and punctures.

Its elastic wrist preventing debris from entering the glove and its open-back design helps keep the hand cool by wicking sweat away.

Care and washing instructions

A good way to keep gloves longer is to clean them regularly.

- Low heat wash and tumble dry
- The glove can be washed several times without losing its properties
