### Care and washing instructions

A good way to keep leather mitts longer is to clean them regularly.

- Dry cleaning - best option to retain the natural oils of the leather
- Clean with a cloth and a mild soap that contains natural fats (e.g. Marseille soap)
- Clean with a soft, damp cloth, removing any dirt
- Air dry only
- Do not clean with hard soap as it removes the natural oils from the leather and makes it stiffer.

### Sizing Chart

Size Kosto *			M	L	XI	2XL
1	Width (hand)	cm	12.5	13	13.5	14
		po / in	4,7	5.1	5,3	5,5
2	Length (glove)	cm	24	25	26	27
		po / in	9,5	9,8	10,2	10,6

\* The measurements are those of the product.

\* A fitting is always recommended.
