Work Socks Performance +

PAK005

Description

The KOSTO PERFORMANCE series socks are made of high quality fibers to ensure the well-being of your feet and the durability of your footwear.

Merino wool offers a superior soft feel, good elasticity, good heat retention and moisture absorption. PAK005 socks adapt to changing outdoor temperatures and ensure that feet stay warm and dry on cold winter days.

Material

- 75% Merino wool
- 21% nylon
- 4% elastane

Care Guide

CARE INSTRUCTIONS

Washing in cold water

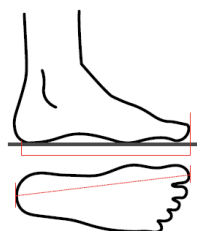

No bleach.

No iron

*** Avoid heat sources as this may cause the socks to shrink.

Size Chart
