Comfort Boot Liners

PAK017

Description

The comfort insulating boot liners offer a very good protection against moisture and cold. This multi-layer system with natural ventilation will allow you to be much more comfortable in your rubber boots on a daily basis. The PAK017 is designed with a reinforced heel for durability, as well as elastic cuffs for a snug fit.

Material

- Outside: 100% cotton
- Inside: 100% acrylic

Size

4,6,8,10,12,14
