

SPECIFICATION SHEET

Feet Protection

KOSTO
BUILT STRONG • BÂTI SOLIDE

Polymer Comfort Insoles

PSE009

Description

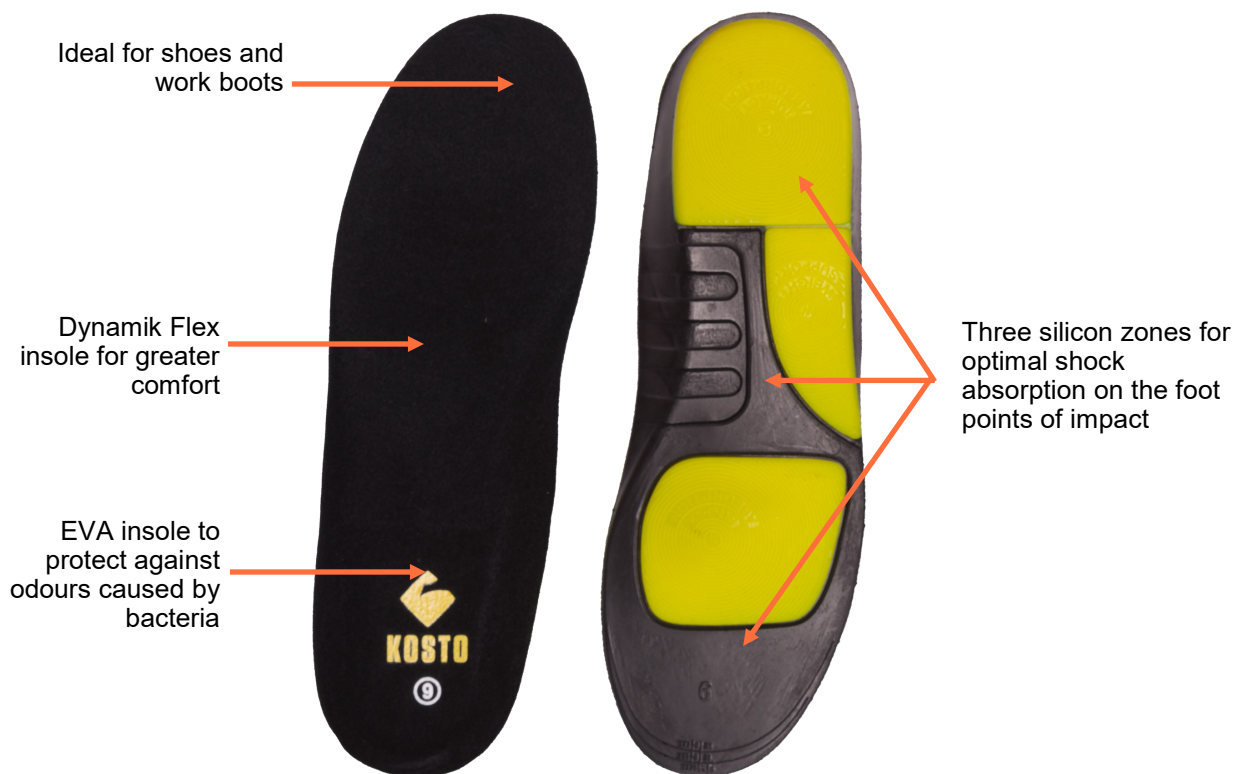

The PSE009 provide maximum shock absorption where your body needs it the most: your feet.
They protect against odors caused by bacteria.
In addition, the comfort zone is enlarged to better fit the shape of the foot.

Material

- Dynamik Flex insole
- EVA and silicon

Size

7 to 13
