450D Ripstop Rain Jacket with PU Coating and 4" Reflective Tape

VMK455

This rain jacket is made from 100% polyester with a high-visibility polyurethane coating that will keep you dry and visible at work. The outer layer and high-strength waterproof heat-sealed seams offer superior tear resistance and tough protection whatever the temperature. It has many pockets so you can store all the tools and equipment you need for your work. The VGK362 jacket can be easily integrated into the coat for added comfort and warmth. This safety jacket has 4" reflective tape that comply with CSA Z96 visibility safety standards.

Certifications

Comply with **CSA Z96-22 Class 2, Level 2** for positioning reflective bands
ANSI/ISEA 107-2020 Type R Class 2
