

4118, 4178 AND 4199 WINDOWS

Product Description

Fibre-Metal general purpose face shield windows are injection molded from high performance propionate material which has the best all around performance characteristics.

All windows are pre-formed at the factory to the exact curve of Fibre-Metal crown for easy installation and a leak proof seal from dirt and debris.

Fibre-Metal windows are light weight, dimensionally stable, optically clear, impact and scratch resistant and they maintain these characteristics throughout their useful lives.

All Fibre-Metal window is molded .060 thick for an extra margin of protection, yet they cost no more than the traditional .040 thick window.

Fiber Metal offers 3 different window sizes:

4118: Dimensions 8" x 11 ½"

4178: Dimensions 8" x 17"

4199: Dimensions 9" X 19"

Applications

Color

Clear

Green Tinted

Tru View Gray Shade 3

Shade 3

Shade 5

Shade 8

Gold Plated Polycarbonate

Application

Cutting or grinding

Protects from glare

Outdoor use / prevents glare / distortion of color

Welder's helpers

Oxifuel cutting

Plasma cutting

High heat environments like steel mills

Note: Gold plated offered in 4199 only

Components / Characteristics

- Propionate material is job proven superior to acetate (the most competitive material) in every significant performance characteristic.
- Injection molded windows provide consistent quality, dimensionally stable, and optically correct.
- Preformed windows provide quick easy tight attachment eliminating dirt and debris from penetrating the connection between the window and crown of headgear.
- Molded beaded edge (on 4178 window) eliminates sharp, rough or unfinished edges which occur when window are stamped or cut from the acetate.
- .060 thickness provides extra margin of protection than competitive .040 shields.
- Wide vision provides full face protection .
- Meets ANSI and CSA Standards.

Weight:

4118: 3.74 oz

4178: 5.02 oz

4199: 6.10 oz

Ordering Information

Package Quantity: Boxes of 12 or Bulk Packs of 50

Combinations:

- Model 4118 fits: F300
- Model 4178 fits: F400, F4400, F5400, F6400, F500, F4500, F5500, F6500, FH66, FM 70 and FM71
- Model 4199 fits: F400, F4400, F5400, F6400, F500, F4500, F5500, F6500, FH66
